Steve,

Can we place this on 11/14 GO? Also, Gerardo has been investigating and has info for parking restrictions on Iowa and Illinois by Hill School.

Thanks,

Bob

Subject: Nancy Hill School Parking

Good morning,

Officer Sheldon has been working on addressing the multitude of parking complaints at Nancy Hill School. He is asking that the no parking signs (see attached) be switched out to included No Parking, Standing, Stopping. Is this something you can assist with?

Thanks
Dan
