To Whom it May Concern:

Federal Signal's NJPA contract is #022014-FSC.

Per our contract with NJPA, we direct all sales and service work through our contracted, third party, independently owned dealer network.

Standard Equipment is the exclusive Dealer for Elgin Sweeper Company & Vactor Manufacturing sales, parts and service covering Northern Illinois, and Lake County Indiana per the terms of a Dealer agreement between Federal Signal Corp. and Standard Equipment Company located at 2033 West Walnut Street Chicago IL. 60612.

Two NJPA contacts are listed below. They are available to answer any outstanding questions about business transaction workflow related to NJPA.

Tony Glenz, NJPA Contract Manager
