

incorporation or use of the substitute in connection with the Work is subject to payment of any license fee or royalty. All variations of the proposed substitute from that specified will be identified in the application and available maintenance, repair and replacement service will be indicated. The application will also contain an itemized estimate of all credits that will result directly or indirectly from acceptance of such substitute, including costs of redesign and claims of other contracts affected by the resulting change, all of which will be considered by Owner in evaluation of the proposed substitute. Owner may require the apparent successful bidder to furnish additional data about the proposed substitute. Owner's Evaluation: The Owner will be allowed a reasonable time within which to evaluate the proposed substitution. The Owner will be the sole judge of acceptability. No substitute will be ordered, installed or utilized without Owner's prior, written acceptance which will be evidenced by a Change Order. Owner may require the apparent successful bidder to furnish, at the apparent successful bidder's expense, a special performance guarantee or other surety with respect to any substitute.

SP-11 ADJUSTMENT OF UNIT PRICES

The unit price cost items for all bid items listed in the Bid Proposal, shall be revised or adjusted during the duration of the contract. The bid items will be revised as follows:

On January 1st of each calendar year during the duration of the contract, Unit Price Bid Item Nos. 1 and 2 will be adjusted according to the change in the Construction Cost Index (CCI) for the Chicago Area as published in the Engineering-News-Record (ENR) as compared to the same CCI of January 1st of the previous year. This adjustment can be either positive or negative and will not affect any of the terms and conditions stated in the Contract Documents.

SP-12 CONTRACT TERM

This Contract will be awarded for a two (2) year term duration. Unless terminated sooner by the Owner as provided in the Contract Documents, the term of this Contract shall commence on October 23, 2012 and shall continue thereafter for a period of 24 months. This Contract may be extended by mutual consent and continue thereafter for an additional period of 24 months or more, based on the same terms and conditions stated in the Contract Documents.
