

KEEFE JACKSON

Retired Deputy Chief of Police
Aurora Police Department

Re: Aurora Civil Service Commission

I worked for the City of Aurora (IL) Police Department for 25 years retiring in April 2020 as the Deputy Chief of Police. In my capacity as a law enforcement officer, I had many opportunities to interact with the Civil Service Commission.

Aurora is a diverse community with residents from all walks of life. Having a civil service commission which can identify with employees/applicants from various ethnic, racial, and socio-economic background can only enhance the city's goal of having "One Aurora".

I think my background and experience can add to this endeavor.

Thank you
Keefe Jackson
