## IT'S EASY TO MAKE A DIFFERENCE!

Wayside Cross has been in existence for nearly 90 years. We offer life-changing programs for those whose lives are broken and in crisis. Since 1928, we have evolved into six vibrant, transformational divisions for men, women, children, at-risk youth; the incarcerated and ex-offenders. The vital help WCM offers makes a difference in many lives each day.

### YOUR DONATIONS MAKE A DIFFERENCE!

**We accept donations of gently used furniture,  
clothing, and household items!**

*We currently pick up in your neighborhood on a weekly basis, but are happy to schedule a pick up of your donations anytime. You can call us to collect your garage sale leftovers, items from spring cleaning, or downsizing. Donations to Wayside will prolong the usefulness of your items, conserve the earth's resources, and support the many divisions of Wayside Cross!*
