All interested persons affected by the formation of SPECIAL SERVICE AREA NUMBER 198 will be given an opportunity to be heard regarding the formation of the boundaries of the Area and may object to the formation of the Area and the levy of taxes affecting said Area.

The purpose of the formation of SPECIAL SERVICE AREA NUMBER 198 in general is to provide for the maintenance and repair of certain onsite stormwater detention, retention and drainage controls and common areas, all in accordance with the final plat of subdivision or final approved engineering plans for the Area, and the proposed municipal services are unique and are in addition to the improvements and services provided and/or maintained by the City generally.

Said taxes shall be in addition to all other taxes provided by law and shall be levied pursuant to the provisions of the Property Tax Code. Said levies are intended to produce an amount annually to pay for the cost for said special services. Notwithstanding the foregoing, taxes shall not be levied hereunder and said

Area shall be “dormant,” and shall take effect only if the applicable required Owners Association (or owner as the case may be) fails to maintain or repair the aforesaid required items or provide said special services and the City is forced to assume said responsibilities. The hearing may be adjourned by the City Council to another date without further notice other than a motion to be entered upon the minutes of its meeting fixing the time and place of its adjournment.
