Yes	Weekly Only at Special Events	Daily Weekly Only at Special Events	No	Yes	Yes	I did not know about them	No		Aurora is basically a food desert and food trucks bring variety and artisan foods. I would hope the city is welcoming and cooperative for all small entrepreneurs wanting to share their craft. It's not necessary to regulate everything.

Yes	No	Yes	<p>I receive a Letter we need to get a extension permit in January we don't have any Events until ends of March Begging April.</p> <p>but the problem is the Water is frozen in the Food Truck, you guys need the Health Department inspection to approve the Permit and they need the water running to pass the inspection.</p>	<p>I spend a lot money in my trucks to see Nice and Clean and and try to have everything you guys require, but I see some trucks they don't have all the requirements for example the Gas tanks, that would be great if you guys can put more attention in the Food Trucks Imagen, Food Truck owners can clean their everyday after sales.</p> <p>I START MY FOOD TRUCK BUSINESS IN the middle 2014 EARLY 2015 and I put lot aplications, but Never received any approval that's why I decide to do only Private Events and now I see almost everyone gets permits easier.</p>
