

Proposed Changes to Chapter 25, Article XII

“Mobile Food Unit Vendors”

- Distance for a mobile food unit to operate from a restaurant will be 100 feet from property line to property line or adjacent to the location of the restaurant.
 - Adjacent: All land adjoining and abutting the site, including streets, sidewalks, bridges and buildings adjoining the site.
- Mobile food units will no longer be able to operate from vacant properties or parcels unless it is an approved designated location.
- All registered mobile food units will be listed on the City of Aurora website for event organizers.
- Approved locations will be posted on the city website.
 - Locations will be limited to food trucks (as defined) only.
 - Food carts and open grills will only be permitted at permitted or private events.
- Mobile food units will no longer be able to operate daily and will be limited to events or designated locations and times.
 - If you currently have a notarized lease signed before the moratorium start date of November 22, 2022:
 - Please provide a notarized copy with your application.
 - Leases dated before the start of the moratorium will be reviewed on a case-by-case basis.
 - Any leases signed after the start of the moratorium will not be honored.
- Staff is working to streamline the application and renewal process; we will continue to keep vendors notified.
