- Lost Productivity
- Impact to Quality of Life

If this plan is approved, will the Municipal Code of Aurora concerning Noise Abatement be enforced?

Aurora Municipal Code, Article 8, Noise Abatement, Section 29-205. - Noises prohibited.

(1) *Unreasonable noises:* The unreasonable making of, or knowingly and unreasonably permitting to be made, any unreasonably loud, boisterous or unusual noise, disturbance, commotion or vibration in any boarding facility, dwelling, place of business or other structure, or upon any public street, park, or other place or building. The ordinary and usual sounds, noises, commotion or vibration incidental to the operation of these places when conducted in accordance with the usual standards of practice and in a manner which will not unreasonably disturb the peace and comfort of residences or which will not detrimentally affect the operators of other places of business are exempted from this provision.

(8) *Loading or unloading merchandise, materials, equipment:* The creation of unreasonably loud, raucous, and excessive noise in connection with the loading or unloading of any vehicle at a place of business or residence between the hours of 10:00 p.m. and 6:00 a.m. of the following day.

(12) *Commercial establishments.* Unreasonably loud and raucous noise from the premises of any commercial establishment, including any outdoor area which is part of or under the control of the establishment, between the hours of 10:00 p.m. and 6:00 a.m. of the following day which is plainly audible at a distance of fifty (50) feet from any residential property.
