

Aurora Section North Full Marathon Course September 17, 2017

(Same as 2011, 2012, 2013, 2014, 2015, 2016)

1) Marathoners head south on the path, under Sullivan & Indian Trail Road

2) Runners will cross over Illinois St and back onto the path requiring the bridge to be closed east of 31 and west of 25.

3) Runners will turn around south of Illinois St and head back north on the same course.

Aurora Section South Turnaround Full Marathon Course

(final course turnaround will be determined upon course measurement in June)

The purpose of this is to provide a turn around spot for the marathoners.

No street closings are needed, subject to final course measurement we anticipate turning the runner around on the path roughly across from the apartment complex just south of McCullough Park
