AFFIDAVIT

re: Cisco/Sentinel Hardware and Software Support Agreement.

I, James Dahl, Director of Management Information Services, being duly sworn on oath do hereby state:

1. The City of Aurora MIS Division utilizes Cisco hardware and software for network infrastructure.
2. The MIS Division has Cisco hardware going off of support, and in need of a temporary "true up" agreement until a new support contract is signed in 2016.
3. Cisco has named Sentinel Technologies of Downers Grove, Illinois as the City of Aurora's sole supplier of Cisco products and services.
4. As the Cisco named provider Sentinel Technologies, is able to offer discount levels not otherwise available.
5. Sentinel Tecnologies has submitted a "true up" quote in the amount of \$45,435.00.
6. Therefore, the product/service desired is provided most efficiently and economically by Cisco Systems, Inc. and Sentinel Technologies, Inc., and failure to act promptly may likely result in a substantial increase in cost thereof to be borne by the city.

Further affiant sayeth not.
