***Re: Chelsea Manor Development
Case No. NA33/2-21.195.195***

Dear Chairman and Members of the Planning and Zoning Commission:

Calvary Temple Church of Naperville is the owner of the property located at the southeast corner of South Commons Drive and Irving Road, which M/I Homes of Chicago, LLC has proposed to develop as Chelsea Manor, a two-family attached residential community. Calvary Temple Church of Naperville is also the owner of the adjacent property (9S200 State Route 59, Naperville) on which is located the Church's building and facilities. Calvary Temple Church of Naperville fully supports the proposed Chelsea Manor development.

Very truly yours,
