**Subject:** 305 - 307 N May St ( Sign and Sidewalk Request) - Tim Thomas

Bob,

How are you? Thank you for meeting with me on Friday in and discussing the handicap street parking sign. I would like to request 3 things in regards to my property at 305-307 N May St.

1. Please place a Handicap Parking sign in the area indicated on the map.
2. Please dig and put a sidewalk coming from the street to the sidewalk
3. Please cut the tree some so the sign can be seen. The tree needs to be trimmed.

Thank you so much for your time. I really appreciate this and it will be a blessing for my tenant.

I have attached the picture of my block and where I would like the items I discussed.
