Re: Old Dominion

Dear Bill, Stephane and Michael:

As we discussed with each of you by telephone, Old Dominion desires to continue this matter in order to consider the issues raised at the last Planning and Development Committee meeting. It is our understanding that the matter will be held at Committee of the Whole tomorrow night and then the public hearing on June 28th will be just opened and continued. If you have the addresses of all the residents, it might be beneficial to notify them to avoid their having to show up on the 28th. If you would prefer, we can send a letter but we expect it would be better coming from the City.

Please call if you have any questions or concerns.
