The Honorable Mayor

We have examined management of the City of Aurora's assertion that the City of Aurora (the City) complied with the provisions of subsection (q) of Section 11-74.4-3 of the Illinois Tax Incremental Redevelopment Allocation Act (Illinois Public Act 85-1142) during the year ended December 31, 2017. The City of Aurora's management is responsible for its assertion. Our responsibility is to express an opinion on management's assertion about the City's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether management's assertion about compliance with the specified requirements is fairly stated, in all material respects. An examination involves performing procedures to obtain evidence about whether management's assertion is fairly stated, in all material respects. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatement of management's assertion, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the City of Aurora's compliance with the specified requirements.

In our opinion, management's assertion that the City of Aurora, Illinois complied with the aforementioned requirements for the year ended December 31, 2017 is fairly stated, in all material respects.
