WORK AND INTERNSHIP EXPERIENCE

Loyola University Chicago

Research Intern under Anu Kris ([REDACTED])

Jan 2020-April 2020

- Worked under professor during spring semester to conduct a group comparative analysis of the healthcare systems in Sweden and the United States
- Utilized primary research (interview with Swedish student/U.S. medical student and mass survey on opinions and experience with U.S. healthcare system)
- Utilized secondary research (individual PESTEL analysis, Fishbone analysis, and collaborative research to produce a set of recommendations for future healthcare implementation)

Dollop Coffee—N Wells St. (River North, Chicago)

Barista

May 2019-April 2020

- Register—maintained friendly customer service and multi-tasked during rushes
- Kitchen—worked under fast-paced conditions and made about 50+ food orders a day
- Barista—quickly learned, adapted, and received certification to receive barista position
- Made impactful relationships with both newcomer and regular customers

PUBLICATION AND VOLUNTEER EXPERIENCE

AIM2Flourish Publication

- Anderson, R. & De La Rosa, M. (2020, April). Do No Harm and Change the World: The Road Less Traveled. AIM2Flourish. Available at <https://aim2flourish.com/innovations/do-no-harm-and-change-the-world>

A Just Harvest

Volunteer (50 hours), Chicago IL

February 2017-April 2017

- Assisted in feeding over 100 patrons (a day) within the Rogers Park area
- Helped supervisors wherever needed—in the front serving meals/drinks or in the back prepping or washing dishes
