Qualifying Statement
City Project No. 2016.165

Dear Mr. Sieben:

On behalf of our client, CyrusOne, we would like to submit this Qualifying Statement for the Annexation Agreement / Annexation / RZ / Preliminary Plan and Plat / Variance petition for building two of the CyrusOne Data Center. The property and the project are further described below:

This unincorporated 23.44 ac property is located at 32W130 Molitor Road and consists of Parcel 1, Tract 3 (19.022 ac, PIN# 07-07-200-010), Parcel 1 Tract 4 (3.448 ac, PIN# 07-07-200-005) and Parcel 2 (0.966 ac PIN# 07-07-200-009). With this petition, we would like to request annexation of all three parcels into the City of Aurora and zone Parcel 1, Tract 3 and Parcel 2, "ORI" (Office Research and Light Industrial) and Parcel 1 Tract 4, "E" (Estate Single Family Dwelling District).

The project consists of construction of a 2-story approximately 410,000 SF data center with an approximately 6,500 office space, stormwater management facility, parking lot, ring road and applicable utilities. The access to this site will be from the ring road of the existing building one. As part of this petition, we would like to request a variance from the City to allow two buildings on one lot, for the following reasons:

- There is no access from Diehl Road to the newly annexed parcel.
- For security reasons, both buildings would have to be protected by one continuous security fence with controlled access.

Please do not hesitate to contact me if you have any questions at 312-614-0356 or phomayouni@bowmancg.com.

Regards,
Bowman Consulting Group Ltd.
