

Documents for Oktoberfest at St. Joseph Church/School

Site Plan – Attached layouts of the gym and parking lots. About 80% of the activities will be outside.

Information on Emergency Evacuation Plan: Felix Fonseca will be the trained crowd control manager on the premises during the event and hourly emergency exit plans will be announced in the gym. In the event of a tornado, our Oktoberfest Team Leaders will move people into the Parish Center to tornado safe areas. If an ambulance is required, we will use cell phones to call 911. The primary coordinators of the event are the chair couple Ken and Marsha Minott who will be managing the program throughout the day. Any minor scrapes and abrasions, etc. will be addressed at the first aid station inside the gym.
