QUALIFYING STATEMENT

Petitioner seeks a special use to construct an indoor, four court, high performance tennis academy. Tennis instruction will be the main use as the coaching is designed to improve and develop elite youth tennis players.

The development of the tennis facility will take place on two existing vacant commercial zoned lots in the Eola Crossings Center. The lots have remained vacant since the subdivision was approved in 2001.

The facility is designed to utilize lots that have otherwise remained vacant and unused. The lots do not maintain direct frontage on Eola Road, but are located behind the commercial strip center known as Eola Crossings.

1. The erection of such a facility will contribute to improved public health by providing another venue for our youth to get more exercise, in a safe environment which in turn will benefit and improve the morals, comfort and general welfare of the community.

2. The proposed special use will function as an in-fill development. It will bring additional customers to the retail center, without creating high traffic demands. The facility will complement the other commercial uses in the area and will help establish a nice buffer between the existing commercial uses and the multi-family residences in the Georgetown Commons and Washington Square Subdivisions to the east.

3. Constructing a new, taxable structure on the vacant lots will stabilize and improve property values within the neighborhood.

4. The recreational use will not prevent the normal and orderly development of other still vacant commercial lots adjacent to the Subject Property. The new use should encourage other commercial users to locate on the surrounding property.

5. Utilities, access roads, drainage and all other necessary facilities are already in place to serve the recreational facility.

6. The Eola Crossings development is very well designed and constructed to provide cross access between the lots within the subdivision and then connecting to Hafenrichter and Eola Roads. The tennis facility is a very low traffic and parking generator which will not cause congestion in the public streets.

7. The recreational facility can be constructed pursuant to the underlying applicable regulations of the Planned Development District commercial zoning with the one exception of a modification in the parking requirements.

8. A reduction in the number of required packing spaces from 138 to 83 is requested. Based upon lesson plans, staff and instructors within the facility, a maximum of 24 parking

spaces out of the 83 provided would be adequate to support the facility as most users are not of driving age and are dropped off by parents, who then leave the facility during the lesson.

The standard methodology for calculating parking requirements for a recreational use is based upon the gross square footage of the building. However, an indoor tennis facility is very unique in that the large square footage, does not generate a comparable parking demand as typically the maximum number of players on each court is four. A breakdown of the anticipated use of the facility is attached as **Exhibit A**.

*Re: Site Plan Approval Request for Lots 3A-3 and Lot 4 of Eola Crossing
Subdivision Regarding Declaration of Covenants & Restrictions
("Declaration") for Eola Crossing Owners Association dated September 26,
2003*

Dear Mr. Steck and Mr. Wehrli:

Pursuant to Section 1 (Required Site Plan) of the Declaration, each "Owner" of a "Lot" within the "Development Tract", which terms are defined in the Declaration, is required to obtain approval of any site plan modifications in writing if said modifications vary from those in the approved "Site Plan" which is attached as Exhibit C of the Declaration (the "Approved Site Plan") and is also attached hereto for your reference as **Exhibit B**.

As the prospective owner of Lots 3A-3 and Lot 4 of the Eola Crossing Subdivision under the Purchase and Sale Agreement between Wehron Enterprises, LLC as "Seller" and John Choi and Hanna Choi as "Purchaser", we hereby request "Covenantor's" approval of our proposed site plan for our indoor tennis facility, (the "Proposed Site Plan"), which is also attached hereto for your consideration as **Exhibit A**. "Covenantor" is defined as Ronald Wehrli and Michael J. Steck under the Declaration.

As shown on the Proposed Site Plan, we will maintain access to and from the private Eola Crossing Subdivision internal road that services all of the subdivision lots.

Please consider our request and let us know if you have any questions. If you would like to discuss this matter further, please do not hesitate to contact me at 630-355-5800. We are anticipating a submittal to the City of Aurora on June 25th to begin the Special Use hearing process.

DOMMERMUTH, COBINE, WEST, GENSLER, PHILIPCHUCK, CORRIGAN AND BERNHARD LTD.

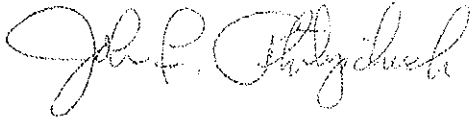

Mr. Steck and Mr. Wehrli
