Subject: Yield sign at intersection of Hardin and Elmwood

Eric,
I received a call from a neighbor who feels that the yield sign at intersection of Hardin and Elmwood should be a stop sign. I am at this intersection often and frankly didn't notice the yield sign till today. Since there is often traffic, I normally stop. I am not sure if we need a full traffic study or just an accident history to make this call. Please advise,
Thanks,
Bill
