Circo Hermanos Vazquez  
Tiger/Lion safety plan

Circo Hermanos Vazquez has an act that includes tigers and lions. All of these animals are kept in a secured area behind an 8' security fence in the rear of the Circus. NO public access is allowed at any time to the animals except during the show. While the animals are kept in their quarters they are supervised by Vincent von Duke or a member of his staff. There is 24 hour supervision of the animals.

When the animals are transported to the tent they are done so in a portable cage on wheels. They are handled by Vincent von Duke and his staff. In the tent there is a fence that encompasses the entire ring and it is supervised by staff. The handler has access to a USDA approved tranquilizer if needed in case of an escape or emergency. They are also trained on how to control the animals.

Our animals are very important to us and they are cared for in compliance with all USDA guidelines. We ensure a safe and secure event at all times.

If you have any questions please contact me at [carlos@circovazquez.com](mailto:carlos@circovazquez.com).

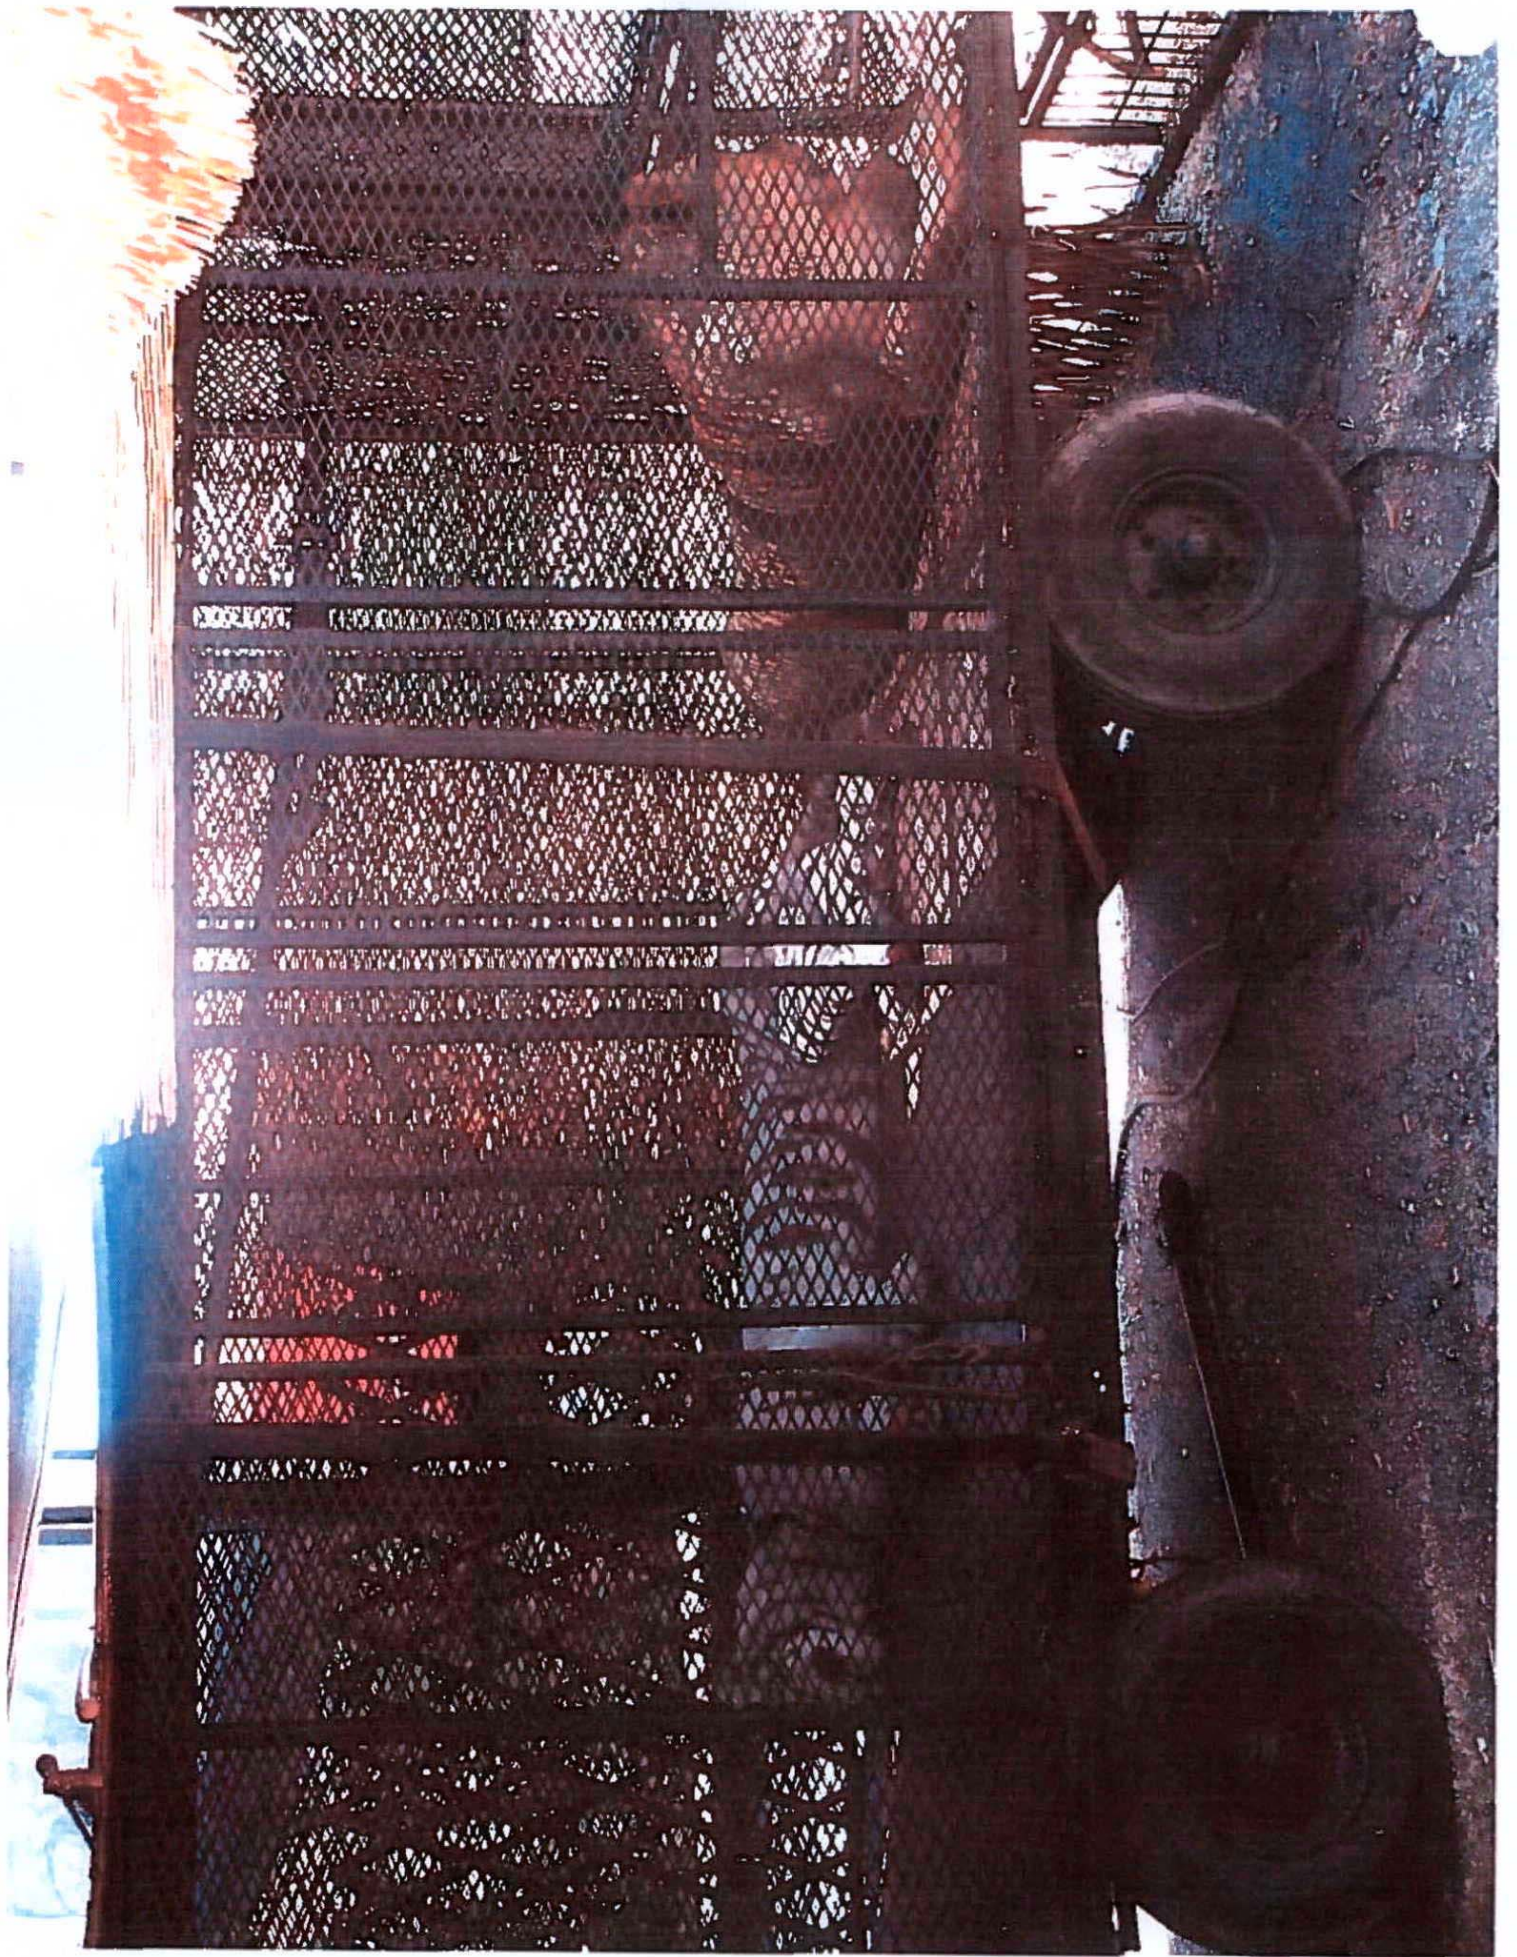

Sincerely,

A handwritten signature in purple ink, appearing to read "Carlos de la Garza", is written below the word "Sincerely,".

**CERTIFICATE OF ISSUING VETERINARIAN**  
I certify as an accredited veterinarian that the described animals have been inspected by me and that they are not showing signs of infectious, contagious and/or communicable disease. The vaccination and results of tests are as indicated on the certificate. To the best of my knowledge, the animals listed on this certificate meet the state of destination and Federal interstate requirements. No further warranty is made or implied.
