RE: HH 4-6 Replacement

Mr. Baker,

Thank you for the opportunity to submit the following proposal for the project referenced above.

**SCOPE:**

1. Excavate and remove existing HH 4-6.
2. Furnish and install new 36" x 60" HH
3. Pack case and fibers cables back neatly and carefully.
4. Backfill with gravel, add topsoil as needed, seed/blanket.

| Description                         | Hours / Qty | Unit | Rate       | Cost              |
|-------------------------------------|-------------|------|------------|-------------------|
| HH removal and replacement          | 1           | Each | \$5,385.00 | \$5,385.00        |
| <b>Sub Total:</b>                   |             |      |            | \$5,385.00        |
| <b>Equipment &amp; Labor Total:</b> |             |      |            | <b>\$5,385.00</b> |

We appreciate the opportunity to provide your company with a proposal and hope to work with you on this project. Should you have any questions or if we can be of further assistance, please call me at the number below.

Sincerley,

Chad Peterson
