Re: APW Electric Vehicle Charging
Preliminary Pricing

I created a Job to Reflect the Costs Associated with Installing 10 Electric Vehicle Charging Stations

Per RFP 04

Install New Breaker, Transformer and Panelboard \$ 22,000.00

Installation of Conduit from 2nd Floor Electrical Room to Northwest Corner of Building and Southeast
Corner of Building and Terminated in Quazite Ground Box at Both locations.

Labor and material Costs per Ext Rpt

Costs for Car Chargers and Car Charger Installation is NOT Included in this Estimate.

Labor \$ 408 hrs @ \$ 140.00 \$57,120.00

Material \$ 14,000.00

Material Mark up 10% \$ 1,400.00

Total Estimated Cost \$ 94,520.00

Thank You
Terry Francis
