

Landa M. Midgley Bio

Landa Marie Midgley

Aurora IL 60506

As a 32 year United Airlines employee, and a 24 year Aurora resident, I have traveled the world and traveled Aurora with equal joy and enthusiasm, curiosity and care, and love of people and places and principals. Whichever City of Lights I'm in, Paris or Aurora, I don't hide my light under a bushel! I let it shine, let it shine, let it shine!

Tribute from Rena, retired APAC member:

"Served since 2001, Landa Midgley is an untiring and enthusiastic champion of the art commission and of all things Aurora. Landa also volunteers to help with any and every event and exhibit. Landa is incredibly supportive of all Aurora events, frequently sporting delightful hats and sunglasses, colorful flags and flashing lights! Landa is a true ambassador for APAC and for the City of Aurora."
