**CITY OF AURORA
PURCHASE ORDER REQUIREMENT POLICY
ACKNOWLEDGEMENT FORM**

I/we hereby acknowledge and will comply with the following *Purchase Order Requirement Policy* of the City of Aurora.

All properly authorized purchases of the City of Aurora must be evidenced by the issuance of a purchase order. A city purchase order number must be reflected on a vendor's invoice in order to ensure that purchases are made by authorized individuals for appropriate municipal purposes.

Any invoice received by the City of Aurora which is not supported by a purchase order will not be accepted as a valid city obligation. The invoice will be returned to the vendor without the city processing it for payment. This policy does not restrict city employees from making purchases on behalf of the city government with a credit card.

*Notwithstanding the above, a city employee may make **emergency purchases** during non-business hours (i.e., without a purchase order) when goods or services are "urgently and imminently necessary for the preservation of life, health, and property." **Prior to allowing an emergency purchase on behalf of the city, a vendor must obtain authorization from a member of the city's Purchasing Division Staff:***

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
