AFFIDAVIT

I, Andrew Feuerborn, Police Technical Services Director for the Information Technology Department of the City of Aurora, being duly sworn on oath hereby state:

That the Police Department's current keyboard, video and monitor extender hardware utilized by the 911 Center for 911 call handling is now 5 years old and is beginning to fail at higher rates and frequency.

That the current hardware is in need of a technology refresh to meet the critical uptime required for 911 systems.

That the Police Department desires to purchase this hardware via the National Intergovernmental Purchasing Alliance Company (National IPA) contract negotiated through a competitive bid process.

That CDW-Government Inc has provided a price quote based on the NIPA contract discount levels.

That pursuant to Aurora Code Section 2-335 (a)(3), the product or service desired is only appropriately provided by one person or entity in this situation.

Further affiant sayeth not.
