

Government Entity	Eligible Activities	Funding Amount	Percent of the Grant	Statutory Limit	Notes
City of Aurora					10% for Administration and Planning 31% for affordable housing for qualifying populations. 15% of HOME-ARP funds will be set aside for TBRA. Lastly, 44% of HOME-ARP funds will be set aside for Supportive Service activities. While all of the HOME-ARP eligible support service needs are high needs, the highest unmet needs for funding include: (1) Rent subsidized affordable or supportive housing assistance utilizing affordable housing development and/or TBRA with priority on a housing first, rapid re-housing approach; (2) Homelessness prevention payments and associated activities; and (3) Services to wrap around activities that are necessary to address issues leading to housing instability and barriers to successful outcomes for stable permanent housing.

*Formula factors
The formula has six measurable factors, each having a weight assigned to it. These formula factors were

HOME Eligibility Requirements (Kendall County is not an eligible grantee)
Eligible Grantees
States are automatically eligible for HOME funds and receive either their formula allocation or \$3 million, whichever is greater. Local jurisdictions eligible for at least \$500,000 under the formula (\$335,000 in years when Congress appropriates less than \$1.5 billion for HOME) also can receive an allocation. The formula allocation considers the relative inadequacy of each jurisdiction's housing supply, its incidence of poverty, its fiscal distress, and other factors.
~~Communities that do not qualify for an individual allocation under the formula can join with one or more neighboring localities in a legally binding consortium whose members' combined allocation would meet the threshold for direct~~
