

STATE OF ILLINOIS)
) ss.
COUNTY OF KANE)

AFFIDAVIT

I, James J. Dahl, Director of Management Information Systems for the City of Aurora, being duly sworn on oath hereby state:

1. The City of Aurora is currently in need of a security cameras at three water and public safety tower facilities (Church Road, Indian Trail, and Phillips Park).
2. The security system project requires MIS optical fiber network infrastructure build outs at three towers.
3. Cisco does have a State of Illinois contract through the Illinois Century Network (ICN) and AT&T, which offers 42.5% off of list price.
4. Cisco offers the City of Aurora 46% discount through their Sentinel Technologies channel partner.
5. A requirement of the added discount is purchasing the Cisco equipment and services through Cisco's business partner, Sentinel Technologies.
6. Sentinel has submitted three quotes totaling \$55,321.00, which includes the 46% discount.
7. This discount is not available from any other source and purchase of it provides substantial savings to the City.
8. Pursuant to Aurora Code Section 2-335 (a)(3) the desired product is provided by only one source and failure to purchase to act promptly may likely result in a substantial cost increase to be borne by the City.
9. Further affiant sayeth not.
