Attn: Jim Birchall (Superintendent of Central Services)

Schindler hereby proposes to furnish and install the following with respect to the equipment located at the above building:

Southeast Elevator in Parking Garage**Install New GAL Door Operator Package**

The elevator door equipment components are becoming increasingly more difficult to obtain. To improve reliability, performance, and safety of your elevator, we recommend upgrading to a new GAL MOVFE Closed Loop High Performance door operator. The upgraded door operator will deliver reliable and consistent door operation.

The GAL MOVFE uses the best of today's technology and will not only improve efficiency, but will enhance the system reliability and safety.

Schindler Elevator Corporation is proposing to provide all labor, material, and supervision required to perform the following scope of work during regular working hours of the elevator trade.

- Disconnect all wiring and remove the existing door operator and worn door lock assemblies.
- Provide a new upgraded GAL MOVFE door operator complete with limit control, resistor bank and terminal box, pulleys, door restrictor, motor, drive arm, and gate switch.
- Modify the car door with new mounting plates and install a new clutch assembly.
- Design new hatch door mounting plates if required.
- Provide interlock assemblies for each hatch door complete with new keeper lock, pickup rollers, and pickup arm.
- Perform all necessary engineering to interface the new door operator with the existing elevator control system and wire interlocks.
- Adjust the lock assemblies and door operator settings to attain the most efficient safety and performance standards.
- Submit the design submissions to the local governing authorities for the alteration to the elevator.

- Clean and check all car and hatch door tracks to ensure smooth operation.
- Replace all rollers

(Note: Price does not include replacement of door tracks, hangers. We will clean up the existing door tracks & hangers by removing any rust that may be present.)

Price: \$21,495.00 (Quotations valid for 60 days; price based upon work during regular working hours of regular working days.)

Payment: 35% of the price is due upon acceptance of this proposal;
40% of the price is due as work progresses within 30 days of invoice;
Balance due upon completion, within 30 days of invoice.
Schindler retains title to any equipment furnished hereunder until final payment is made. Late or non-payment will result in assessment of interest charged at a rate of 1 1/2% per month or the highest legal rate available, and any attorneys' fees, expenses and costs of collection.

The attached terms and conditions are incorporated herein by reference.

Acceptance by you as owner's agent or authorized representative and subsequent approval by our authorized representative will be required to validate this agreement.
