Good morning Jeff. I relayed your concerns to our Traffic Engineer Eric Gallt. I will check with him for a status.

As it relates to trash, Gio was preparing a notice to go out. I'll get an update on that as well.

Thanks

**Chuck Nelson**

Hi Chuck, it's been a month now since you came out. Any chance you could give me an update on my concerns? I continue to watch speeders on the Aurora Autobahn (Stonebridge Blvd between Eola and Indian Trail. The average speed is at least 15 miles over the limit, probably around 40MPH. Perhaps mobile speed indicator units could be put out to remind FedEx and residents that they should not challenge the City of Aurora. Thanks again for your help. I know you have a tough job but lots of influence.
