

Dear Council Members,

Thank you for considering our liquor license application. I am the founder of Nide Jardin, a culturally rooted self-care boutique located in the heart of Downtown Aurora. Our space is more than a retail shop—it is a community oasis where wellness, culture, and inclusivity converge.

We are respectfully seeking a liquor license to enhance the experience of our community-centered events, including workshops, First Fridays, book clubs, and private gatherings. Our intention is not to operate as a traditional bar, but to offer curated, responsible beverage options—such as wine, beer, and craft cocktails—that complement the ambiance and deepen the experience of our events.

This addition will allow us to:

- Elevate the quality of our programming by offering full sensory experiences during workshops and gatherings,
- Collaborate with local restaurants and food vendors from across the city to pair refreshments and meals with our events,
- Support fellow small businesses, like Dapper Brews, who will provide coffee, baked goods, and non-alcoholic beverages,
- And generate sustainable revenue that helps keep our events accessible to the public.

Nide Jardin is committed to maintaining a safe, respectful, and welcoming environment for all. We believe this next step aligns with Aurora's vision of a vibrant, culturally diverse downtown that supports small business innovation and community well-being.

Thank you for considering our request. We're excited about the potential this brings—not just for Nide Jardin, but for the broader Aurora community.

Warmly,
