QUALIFYING STATEMENT

RE: LYDIA HOME ASSOCIATION, 998 CORPORATE BOULEVARD, AURORA, ILLINOIS

Lydia Home Association, an Illinois not-for-profit serving children since 1916, has entered into a real estate contract with Corporate Technical Center, L.L.C., to purchase the real property located at 998 Corporate Boulevard, Aurora, Illinois. Lydia Home's intended use for the property is a mental health facility offering educational and therapeutic services for children aged 12-18 years who have mental health and behavioral difficulties such that they cannot be properly cared for in a traditional family setting or foster care. The Illinois Department of Children and Family Services (DCFS) is responsible for determining which children will be best served and placed at Lydia Home.

The property consists of a 49,322 square foot building sitting on 8.9 acres, which includes a 1.5-acre playground. The existing facility itself consists of one-bedroom units, washrooms, kitchen, cafeteria, laundry and utility rooms, classrooms, a gymnasium, gathering spaces, and administrative offices. All necessary utilities, drainage, access roads, and other structural requirements already exist on or within the facility so that Lydia Home can use the property as-is, and only intends to make minimal aesthetic improvements, such as exterior and interior paint and adding window treatments to give the facility a warmer, homier environment. Throughout the day, Lydia Home staff will provide certain mental-health and educational services to the children at the facility, including daily schooling, individual therapy sessions, occupational and group therapy, recreational time, and on-going psychological evaluations to track each child's growth, working toward the ultimate goal of returning each child home.

The facility will house up to 40 DCFS-chosen children protected and cared for by a minimum of 150 staff personnel. The staff will include a director, therapists, psychologists, social workers, teachers, residential counselors, a nurse, auxiliary staff (e.g., admin, housekeeping, kitchen), and security personnel. This 24-hour staffing is provided over three (3) eight-hour shifts, with a child to staff ratio of 1:3 during the day and 1:5 overnight. All staff will be certified in the nationally recognized Therapeutic Crisis Intervention program, which teaches techniques to proactively prevent and de-escalate emotional crises. Lydia Home's on-site security personnel will maintain protection for the children, staff, and premises. Children shall remain on the facility grounds unless granted permitted leave. Accordingly, the ordinary business of the surrounding industrial park will not be interrupted, endangered, or burdened during or outside of normal business hours, or encourage unnecessary traffic into the area. This use of the property shall be consistent with existing district and zoning regulations, provided the Commission's acceptance of the plan description revision submitted contemporaneously herewith and upon other recommendations by the Commission or City.
