Subject: Service Proposal 18074
Parts quote 2018-253059

Dear Mr. Schumacher:

This letter is to confirm that Evoqua Water Technologies LLC is the original equipment manufacturer, and sole provider of original parts for traveling water screens, trash rakes and intake systems provided under the names of US Filter, Rex®, Envirex®, Link-Belt® (FMC) and Royce®, which includes the traveling water screen currently installed at you plant, provided on original contract H604905 in 1990.

Evoqua Water Technologies LLC owns the original design and drawings for these water screens. All of the parts are manufactured per the original contract drawings and specifications. The parts on Evoqua Water Technologies LLC Quote No. 2018-253059 which we propose to sell to you conforms to the original fit and function required for the operation of traveling water per the original contract / order number H604905. Also, the service work that is proposed in Evoqua proposal #18074 is to be completed with factory trained service personnel, to original OEM specifications.

Please let me know if you have any questions or require any additional information.

Best regards,

A handwritten signature in black ink that reads "Matthew C. Tyson".
