Community and Political

A non profit /political background I am highly motivated as a leader , but work well with others. I follow instructions and documented all aspects of my work. I created schedules for performers and kept everyone informed and on schedule. I managed thousands of dollars and stayed within budget and made sure the our goals were met. I volunteer at Sacred Heart church and maintain the buildings, the church , school and Rectory. I help with the church festival each year. I am the IT Tech for the church.

I am involved politically with Aurora Township Democrats. I am also an elected Precinct Committeeman for my ward. I volunteer for politicians and walk the streets gathering signatures for petitions. I helped with the Richard Irvin for Mayor campaign. I am also part of Progressives of Kane County.
