**RE:** Panda Express – City of Aurora Qualifying Statement

City of Aurora Development Services Department,

Our project proposes to construct a 2300 sqft Panda Express Restaurant, with drive-thru on an undeveloped outparcel at the Savannah Crossing Development. This Panda Express prototype has the ability to seat 36 people. With the construction of this building, the associated parking lot, landscaping, signage, and lighting will also be installed. The restaurant's main access will be off the northern interior development drive. Cross-access is also being provided along the south side of the lot to the parcels to the east and west. All three accesses will allow for 2- way traffic. As this development is part of the Savannah Crossing Development, connections for the utilities to city/county systems has been designed and accounted for. Regional detention for stormwater management is being provided to the north of our parcel in a previously designed and constructed detention pond.

Our proposal follows standards of the City of Auroras Codes and ordinance. The construction of this restaurant does not impede the public health, safety, morals or general welfare of the public. By allowing a Panda Express Restaurant on this parcel, other previously permitted establishments in the areas enjoyment will not be impacted. As this proposed establishment is similar in function and use to other businesses in the area, it is not expected that the property values of the surrounding neighborhoods would be negatively impacted. As this parcel is a permitted use and part of a planned unit development, it will not affect the development and improvement of surrounding properties. As noted above, utilities, access roads, and drainage have been provided to this parcel at the required capacities for our use and are not anticipated to put additional load on the City of Aurora facilities. Three ingress and egress points are also designed for this site to ensure proper traffic flow and to avoid congestion on this lot and the neighboring developments.

No Variations, modifications, or exceptions are being requested of the City's Codes and Ordinances.

Please reach out with any questions you may have or with the need for additional information.

Respectfully,

A handwritten signature in black ink, appearing to read "Jillian Benaglio", is written over a light grey rectangular background.
