## Mike Kluber PE, LEED AP, CEM

As President of Kluber Architects + Engineers, Mike Kluber casts the company vision and leads his team in day-to-day operations. His 25 years of hands-on leadership has grown a small family business into a mid-sized, A & E service firm serving the greater Chicago region.

Mike and wife Reneé, married for 25 years, have four children and live in Batavia, Illinois.

Mr. Kluber is an outstanding leader in his field and community. A valued citizen in the Fox Valley with multiple community service tenures served, Mike believes service creates not only a more viable community, but forges valued relationships.
