RE: BenTek Benefits Technology

I, Shanita Thompson, Director IT Operations, being duly sworn on oath do hereby state:

BenTek Benefits Technologies was selected as the preferred vendor based on following criteria:

1. BenTek is in the business of developing, licensing, supporting and hosting software applications for employee benefits enrollment and administration, the SaaS Solution.
2. The City of Aurora has received a quote from BenTek for its BenTek Master Software.
3. BenTek is an authorized partner with CentralSquare (aka Superion) NaviLine product suites. This compatibility will help simplify future HR and Finance system integrations (i.e., time and attendance payroll).

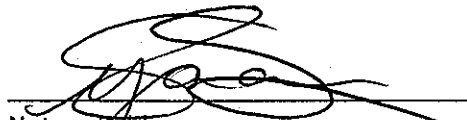

Further affiant sayeth not.
