RE: **BID 45-019 GASOLINE**

Dear Vendors:

Thank you for participating in our procurement process for the purchase and delivery of No-Lead Gasoline and Bio Diesel Fuel for Kane County Division of Transportation, Kane County Sheriff, and other Intergovernmental Agencies, which opened on October 16, 2019.

The Kane County Board on November 12, 2019, per Resolution 19-393, in the best interest of Kane County and its citizens, approved and awarded the purchase contract for bulk delivery of the County's regular no-lead gasoline and bio diesel fuel to Mansfield Oil Company of Gainesville, GA and tank wagon delivery of small quantity to Blu Petroleum of Mundelein, IL.

The County of Kane will not be involved in the purchasing of gasoline and diesel fuels specified within this procurement by any other intergovernmental unit (taxing body) that participates. The execution of a purchase contract, invoicing and payments would be entirely between the other intergovernmental units and the accepted Vendor.

We appreciate your interest in Kane County and look forward to working with you on future projects.

Best regards,

Timothy Keovongsak, CPPB,
Buyer III
