Re: Abandoned Residential Property Municipality Relief Program ("APP" or the "Program"), Round 4

Dear Mr. Curley,

We are pleased to announce your selection for participation in Round 4 of the Abandoned Residential Property Municipality Relief Program. Your grant award amount is \$250,000.00. Please note that your participation in the Program is contingent upon your submission of a Round 4 Funding Agreement (which will be provided to you in the near future) and your successful closing with IHDA's Legal Department.

We will send notification to you as the contact listed in the application when your Round 4 Funding Agreement is prepared. Please be reminded that as part of the closing process, you will be required to submit due diligence items, including agency/corporate documents for APP.

Additionally, we will be hosting a training webinar on June 27 to discuss the required guidelines for the IHDA legal closing process, program participation, reporting, and payment schedules. Your participation in the webinar is required. The webinar's call-in information as well as Round 4 program documents will be distributed in a separate email.

If you have any questions or concerns, please do not hesitate to contact us at APPinfo@ihda.org.

Sincerely,

A handwritten signature in black ink, which appears to read "Nicki Pecori Fioretti". The signature is fluid and cursive.
