AFFIDAVIT

RE: Authorization to ratify payment to Schindler Elevator Corporation for the emergency repairs to the Stolp Island Parking Deck's northwest elevator in the amount of \$21,495.00 and approve \$40,000.00 in the identical repairs to the southeast elevator.

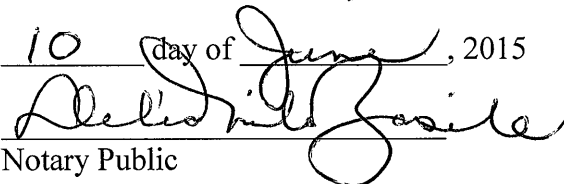

I, Joseph Hopp, Superintendent of Maintenance Services, City of Aurora, being duly sworn on oath hereby state:

1. The two Stolp Island Parking Deck elevators need to be repaired.
2. The northwest elevator's door assemblies have worn out components that require replacement so that this elevator operates properly. Due to the age of the SIP elevators both elevator shafts and door assemblies should have these repairs.
3. Since the northwest door is an emergency repair and that Schindler Elevator is the company that performs all of the City's elevator inspections and service, I'm requesting these repairs as a sole source.
4. Affiant believes that exception three (3) to the City's competitive bidding requirement (Aurora Code of Ordinances), Section 2-335 (a) (3) is therefore applicable to this purchase as a sole source.
5. Further affiant sayeth not.

Joseph Hopp
Superintendent of Maintenance services
