14. If this proposal is accepted and the undersigned shall fail to execute a contract and contract bond as required herein, it is hereby agreed that the amount of the check or draft or bidder's bond substituted in lieu thereof shall become the property of the City and shall be considered not as a penalty but as payment of liquidated damages due to delay and other causes suffered by the City because of the failure to execute said contract and contract bond, otherwise said check or draft or bidder's bond substituted in lieu thereof shall be returned to the undersigned.

Proposals Due by 11:00AM: February 12, 2025

ADDENDUM NO. 1
Page 1 of 283

TO: All Bidders
FROM: Engineering Division, City of Aurora
DATE: February 6, 2025

THIS ADDENDUM FORMS A PART OF THE BIDDING AND CONTRACT DOCUMENTS.

1. Three (3) questions and answers pertaining to the sewer televising contract project.

Q.1 The specification references ASTM F1216 and states the resin system shall meet those requirements. According to ASTM F1216, the minimum flexural modulus of elasticity is 250,000 psi. However, the table in the specification calls for 400,000 psi. Could you please revise the minimum flexural modulus of elasticity in your specification to align with the ASTM F1216 standard of 250,000 psi?

The CIPP Sewer Lining shall conform to the minimum structural standards of ASTM F1216-22 which shall include a modulus of elasticity of 250,000 PSI and a 50 year flex modulus of 200,000 PSI. The proposed design thickness of the liners shall be based on meeting these updated structural requirements.

Q.2 When we clean the sewer, do you have a location we can dump the debris we pull out of your sewers?

Yes, as long as it is scheduled in advance, debris from the sanitary sewers can be dumped at Fox Metro Water Reclamation District (FMWRD). The contact for FMWRD will be provided at the preconstruction meeting.

Q.3 Can I please get a copy of the videos and reports of the sewers to be lined on the above project?

Televising videos will be sent via email link to all current planholders before 12PM, CST, Friday, 7th, 2025.

The reports are attached to this addendum (282 Pages).

Sincerely,

Nadia L. Schweisthal
