Re: ATK Law Enforcement ammunition distributor

To Whom It May Concern:

ATK Armament Systems, the parent company of both Federal and CCI/Speer ammunition companies, markets its law enforcement ammunition through a network of Law Enforcement Distributors throughout the United States.

Kiesler's Police Supply is the sole Law Enforcement distributor for Federal and CCI/Speer law enforcement ammunition products and Force-on-Force marking/training ammunition for the states of Ohio, Indiana, Illinois, Michigan, and Kentucky.

Please contact me with any questions or concerns you may have.
