## The Chicagoland Roofer's Joint Apprenticeship and Training Program.

The start to roofing quality begins with the local 11 Apprenticeship. An apprentice is a worker who learns a skilled trade through planned, supervised, on-the-job training, related classroom instruction and hands-on training.

An apprentice is a regular part of the work force and earns wages while acquiring important skills. The length of our apprenticeship is five years and 5500 on-the-job training hours.

At the completion of this program, an apprentice becomes a journeyman, fully qualified to perform the work of the roofing trade and earns the industry top pay for their skill.

Upon completion of the Forman classed and training, workers will achieve the highest level of roofing knowledge.

Since 1945, apprentice program has been sponsored jointly by labor and management on the local union level. Serve to provide the highly skilled workforce necessary to apply the quality roofing and waterproofing systems that keep America's buildings dry.

The program is approved by the Department of Labor and Office of Apprenticeship. Also approved by The Veterans Administration for VA school benefits to eligible Veterans.

Roofers Local #11, train Apprentices for over 135 Union Signatory Contractors, many of which belong to the Chicago Roofing Contractors Association, The Midwest Roofing Contractors Association, and the National Roofing contractors Association.

Roofers Local #11, which is this country's largest roofing union has over 2200 skilled craftsmen to professionally install various roofing and waterproofing systems.

Along with this Union training, workers at Anthony Roofing Tecta America attend various manufacturing classes. Here workers perform hands-on demonstrations while learning about new products. Workers leave with an understanding of the proper means and methods, needed and required to obtain various roof warranties. Completing this training and classes provide Anthony Roofing Tecta America with the ability to become certified installers for numerous roof systems and manufactures.

Between these two programs, we believe that our team will provide better quality installations, quality repairs and maintenance, while the worker becomes a skilled Craftsman.

- A.** In the performance of your ongoing operations subject to such **written contract**; or
  - B.** In the performance of **your work** subject to such **written contract**, but only with respect to **bodily injury or property damage** included in the **products-completed operations hazard**, and only if:
    - 1.** The **written contract** requires you to provide the additional insured such coverage; and
    - 2.** This **Coverage Part** provides such coverage; and
  - C.** Subject always to the terms and conditions of this policy, including the limits of insurance, the Insurer will not provide such additional insured with:
    - 1.** Coverage broader than what you are required to provide by the **written contract**; or
    - 2.** A higher limit of insurance than what you are required to provide by the **written contract**.

Any coverage granted by this Paragraph **I.** shall apply solely to the extent permissible by law.

- II.** If the written contract requires additional insured coverage under the 07-04 edition of CG2010 or CG2037, then paragraph **I.** above is deleted in its entirety and replaced by the following:

**WHO IS AN INSURED** is amended to include as an **Insured** any person or organization whom you are required by **written contract** to add as an additional insured on this **Coverage Part**, but only with respect to liability for **bodily injury, property damage or personal and advertising injury** caused in whole or in part by your acts or omissions, or the acts or omissions of those acting on your behalf:

- A.** In the performance of your ongoing operations subject to such **written contract**; or

  - 2.** This **Coverage Part** provides such coverage.

- III.** But if the **written contract** requires:

- B.** Additional insured coverage with "arising out of" language;

IV. But if the **written contract** requires additional insured coverage to the greatest extent permissible by law, then paragraph I. above is deleted in its entirety and replaced by the following:

**WHO IS AN INSURED** is amended to include as an **Insured** any person or organization whom you are required by **written contract** to add as an additional insured on this **Coverage Part**, but only with respect to liability for **bodily injury, property damage or personal and advertising injury** arising out of **your work** that is subject to such **written contract**.

1. Primary and non-contributing with other insurance available to the additional insured; or
2. Primary and to not seek contribution from any other insurance available to the additional insured.

But except as specified above, this insurance will be excess of all other insurance available to the additional insured.

  - 2.** The offense that caused the **personal and advertising injury**;
- for which the additional insured seeks coverage; and

All other terms and conditions of the Policy remain unchanged.

But this **BROAD NAMED INSURED** provision does not apply to:

(a) any partnership, limited liability company or joint venture; or

(b) any organization for which coverage is excluded by another endorsement attached to this **Coverage Part**.

For the purpose of this provision, management control means:

This sublimit does not apply to **property damage to your work** if the damaged work, or the work out of which the damage arises, was performed on the **Named Insured's** behalf by a subcontractor.

Tort liability means a liability that would be imposed by law in the absence of any contract or agreement.

Paragraph f. does not include that part of any contract or agreement:

(1) That indemnifies an architect, engineer or surveyor for injury or damage arising out of:

- (a) Preparing, approving or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
- (b) Giving directions or instructions, or failing to give them, if that is the primary cause of the injury or damage;

- (2) the loss of, loss of use of, damage to, corruption of, inability to access, or inability to manipulate **electronic data** that does not result from physical injury to tangible property.

This exclusion applies even if damages are claimed for notification costs, credit monitoring expenses, forensic expenses, public relation expenses or any other loss, cost or expense incurred by the **Named Insured** or others arising out of that which is described in Paragraph (1) or (2) above.

- B. The following paragraph is added to **LIMITS OF INSURANCE**:

- E. If Electronic Data Liability is provided at a higher limit by another endorsement attached to this policy, then the \$100,000 limit provided by this **ELECTRONIC DATA LIABILITY** Provision is part of, and not in addition to, that higher limit.

**9. ESTATES, LEGAL REPRESENTATIVES, AND SPOUSES**

The estates, heirs, legal representatives and **spouses** of any natural person **Insured** shall also be insured under this policy; provided, however, coverage is afforded to such estates, heirs, legal representatives, and **spouses** only for

**Contractors' General Liability Extension Endorsement**

**claims** arising solely out of their capacity or status as such and, in the case of a **spouse**, where such **claim** seeks **damages** from marital community property, jointly held property or property transferred from such natural person **Insured** to such **spouse**. No coverage is provided for any act, error or omission of an estate, heir, legal representative, or **spouse** outside the scope of such person's capacity or status as such, provided however that the **spouse** of a natural person **Named Insured** and the **spouses** of members or partners of joint venture or partnership **Named Insureds** are **Insureds** with respect to such **spouses'** acts, errors or omissions in the conduct of the **Named Insured's** business.

2. All medical expenses under **Coverage C**,

that arise from **occurrences** or accidents which can be attributed solely to ongoing operations at that construction project. Such payments shall not reduce the General Aggregate Limit shown in the Declarations, nor the Construction Project General Aggregate Limit of any other construction project.

B. All:

1. **Damages** under **Coverage B**, regardless of the number of locations or construction projects involved;
2. **Damages** under **Coverage A**, caused by **occurrences** which cannot be attributed solely to ongoing operations at a single construction project, except **damages** because of **bodily injury** or **property damage** included in the **products-completed operations hazard**; and

**Contractors' General Liability Extension Endorsement**

- E. If a single construction project away from premises owned by or rented to the **Insured** has been abandoned and then restarted, or if the authorized contracting parties deviate from plans, blueprints, designs, specifications or timetables, the project will still be deemed to be the same construction project.
