Request for study to install a "do not block intersection" sign on S. Farnsworth Ave at Summerlin Dr.

The Traffic on n/b South Farnsworth at Ogden Ave. backs up to Hafenrichter during rush hour. This congestion blocks traffic attempting to pull out from Summerlin Dr. and turn north/ left onto Farnsworth and pull into the far right lane.

Request for " do not block intersection /drive" in the median of South Farnsworth Ave. at Summerlin Dr.
