Contact

NAME - N/A
EMAIL - N/A
PHONE - N/A

LOCATION - South Buell Avenue, Aurora, IL, USA

WHAT TYPE OF SIGN ARE YOU REQUESTING? - No Parking on one side of the road

WHAT IS THE REASONING BEHIND YOUR REQUEST? - Not able to drive down street

WHAT IS THE EXACT LOCATION FOR PLACEMENT? - 400 Block of S Buell Av near Southlawn

CURRENTLY ASSIGNED TO - Bob Greene in PW-Engineering

DESCRIPTION - Received call from Aurora Police that they are unable to go down this street due to vehicles that are parked back to back on both sides of the road. In emergency APD is unable to get through this street quickly.

QOL inspector attempted to cite vehicles for No Parking signs, but there are no signs on either side. Road is clearly not wide enough to have parking on either side. Inspector had to go 5 mph to avoid clipping mirrors. Please post a No Parking Sign on 1 side of street.

DESCRIPTION - N/A

Comments

Feb 18, 2019 12:46pm :
If this is about buell st. just north of southlawn, I have the same complaint. This street is not wide enough to accomodate parking on both sides of the street, especially when snow prevents the AU students from parking on our lawns. There are no curbs but parking is allowed on both sides so the cars pull one tire off the street when there is no snow (yet another issue). Please make this block restricted to parking on one side. We may not see a parking garage at AU for several months (years?) . In the meantime, this is a safety risk for all residents on this street, not to mention that garbage trucks can't get though.
