

Scouts BSA - Troop 501

June 21, 2019

Dear City of Aurora,

Geanteary Luster would like to conduct his Eagle Project by asking for donations in his neighborhood. The troop will be assisting him in his efforts. They will go door-to-door placing brown paper bags on the front doors. This is a Boy Scout ran function and he will adhere to the guidelines set in place by the city.

Sincerely,

A handwritten signature in black ink, appearing to read 'Doug Davila'. The signature is stylized and cursive.
