**RE: Indian Trail & Randall Rd Water Tower**

Dear Sir:

Utility Dynamics Corporation appreciates the opportunity to quote the following per your request.

Scope:

- 1) Furnish and install approximately 100LF of 1 ¼" polyduct via horizontal directional drill method.
- 2) Furnish 1 surface mounted junction boxes with 1" RGS wall penetration.
- 3) Furnish and install 1 junction box mounted on a unistrut rack, at the tower location.
- 4) Adapt polyduct to RGS for all above ground conduit installation.
- 5) Restore are with seed and blanket.
- 6) Leave pull line for, contractor installing the fiber cable.
- 7) Enter existing fiber handhole with new polyduct.

**LUMP SUM \$5,780.00**

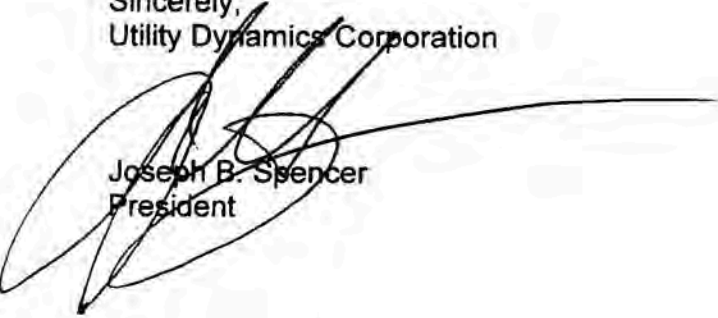

Clarifications:

- 1) Private locates are by others.
- 2) All cable is by others.
- 3) Water tower penetration is by others.

Once again Utility Dynamics Corporation appreciates this opportunity. Please call if you have any questions.

cc Dennis Smith

Sincerely,  
Utility Dynamics Corporation

  
Joseph B. Spencer  
President
