AFFIDAVIT

I, Andrew Feuerborn, Police Technical Services Director for the Information Technology Department of the City of Aurora, being duly sworn on oath hereby state:

That Infor Public Sector, Inc. (Formerly EnRoute Emergency Systems LLC) is the Aurora Police and Fire Departments' chosen vendor for their Computer Aided Dispatch (CAD) and Records Management Systems (RMS). That Infor Public Sector also provides both the Police and Fire mobile data computer applications as well as related applications.

That Infor Public Sector is the supporting vendor for the Unidata database system as well as the applications which ride on the Unidata database platform.

That Infor Public Sector as the originator of the CAD and RMS applications is the sole vendor capable of providing support for these applications for the Aurora Police and Fire Departments.

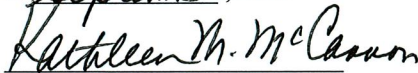

That pursuant to Aurora Code Section 2-335 (a)(3), the product or service desired is only appropriately provided by one person or entity in this situation.

Further affiant sayeth not.
