NOTICE IS HEREBY GIVEN that on or about the 13th day of May, 2025 at 6:00 p.m., in the City Council Chambers of the City Hall, 44 East Downer Place, Aurora, Illinois, a hearing will be held by the City Council of the City of Aurora to consider the establishment of a Special Service Area, to be designated as Special Service Area 224, consisting of the following described territory:

SEE ATTACHED EXHIBIT A

**SECTION TWO:**

The Owner of the property described above ("Area") has applied to the City for a Stormwater Management Permit ("Permit"). Before it may issue a Permit, the City must require the Owner to construct and maintain onsite stormwater retention, detention drainage controls, and other common areas (collectively "Stormwater Management Facilities") which benefit the Area, consistent with the final plat of subdivision or final approved engineering plans for the Area.

The Kane County Stormwater Ordinance requires the City establish a special service area to act as a backup vehicle for maintaining stormwater systems to be constructed under said Permit in the event the owner fails to keep or otherwise maintain these facilities in good repair.

The City Council proposes the establishment of Special Service Area 224 to serve as a vehicle for the City to levy a tax against the property in the Area if, and only if, the City is forced to undertake the responsibility of the Owner in maintaining the Stormwater Management Facilities. Maintaining private Stormwater Management Facilities constitutes additional special services above those municipal services which the City generally provides to the throughout its territory. The City Council believes that the establishment of said special service area is desirable and necessary to provide the special services to the Area.

**SECTION THREE:**

At the hearing, all persons affected will be given an opportunity to be heard. At the hearing, there will be considered the levy of an annual tax in the proposed SPECIAL SERVICE AREA NUMBER 224 by the City of Aurora of not to exceed an annual rate of 1.10 one-hundredths percent (\$1.10 being 110 cents per \$100.00 of the equalized assessed value of the property) sufficient to produce revenues to provide the special services. Said tax to be levied for an indefinite period of time from and after the date of the Ordinance establishing said Area. Said taxes shall be in addition to all other taxes provided by law and shall be levied pursuant to the provisions of the Property Tax Code. Said levies are intended to produce an amount annually to pay for the cost for said

Notwithstanding the foregoing, the City shall not levy special taxes hereunder and said Area shall be "dormant," and shall take effect only if the applicable required Owners Association (or owner as the case may be) fails to maintain or repair the aforesaid required items or provide said special services and the City is forced to assume said responsibilities. The hearing may be adjourned by the City Council to another date without further notice other than a motion to be entered upon the minutes of its meeting fixing the time and place of its adjournment.

If a petition signed by at least fifty-one percent (51%) of the electors residing within the proposed SPECIAL SERVICE AREA NUMBER 224 and by at least fifty-one percent (51%) of the owners of record of the land included within the boundaries of the proposed Area is filed with the City Clerk within sixty (60) days following the final adjournment of the public hearing objecting to the establishment of the Area, the enlargement thereof, or the levy or imposition of a tax for the provision of special services to the Area, no such Area may be established or enlarged, or tax levied or imposed.
