

## Partner-Account Certification

06/26/2020

To Whom it May Concern,

As the Check Point Account Manager for Aurora Police Department, I certify Konsultek and Anthony Bullaro as the preferred Check Point VAR for Aurora Police Department. Anthony has demonstrated a deep knowledge of the products and subscriptions for the APD account and invested time and effort to assure the Check Point relationship is managed appropriately. The Check Point Support Contract should be renewed through Konsultek as special considerations have been made and designated for use only through Konsultek.

Thank you,

Sean Scanlon – Account Manager
